Subject: Robin Thakur - 18384, early release request

Hello Kishor Sir,

Robin Thakur has already resigned on 8th of April-22 & His last working day considering 90 days' notice period will be 7th July-22. Currently he is working in ABS project, where we are not able to utilize his skill set in stack up analysis, as task for the same is completely stopped since 2 months. SO we have trained him in CAD related activities & utilizing for the same. As we have now replacement available for CAD skill. We want Robin to get release from the project immediately. Also we do not have any quick visibility to use him in any other project, we request you to approve his early release by 3rd June 22.

Thanks & Regards
Rakesh kale
