Hi Dilip,

I am using web outlook only.

I want to use system outlook(outlook application) as web outlook mail box is full now.

While opening system outlook below errors are coming.

With Best Regards,

Subject: Outlook account issue

Dear Dilip,

While logging in to outlook, below error is coming.

My mail box is getting full time to time and I cannot delete the old mails too as those are important and related to project work.

Please help me to open outlook account.

With Best Regards,
Abhijeet Yeotikar
