**Subject:** Mathcad - self learning

Dear Team,

Please register and install Mathcad Prime 7.0 tool and start exploring it.
https://www.mathcad.com/en/try-and-buy/mathcad-express-free-download

Mathcad is free to use 1 Month for commercial purpose. You can get the information by sending email to "**asairam@ptc.com**" for trial as proof for our IT team.

Steps to explore this tool:

1. Learn from Help menu - (Press F1 to get help menu from tool)

2. Learn from YouTube videos
3. Assignment-

        a. Perform WCCA on BDU Dropout circuit(as we have simulation results)
        b. perform WCCA on MOSFET as switch selection (refer ICC or BMS project circuit)
@ pratik , suggest if any other input we can add related to WCCA learning
@ kiran, Request your approval for above activity

Regards,
Habalappa K
